

**EXTRACT FROM THE COUNCIL MINUTES HELD ON 24 MAY 2021**

Item A129. 24.05.2021

**FOURTH (FINAL) INTEGRATED DEVELOPMENT PLAN (IDP) REVIEW 2021/2022**

V Zeeman: Head: IDP and Communications

(Ref.: 16/7)

**PURPOSE OF REPORT**

To table to Council the Fourth Integrated Development Plan (IDP) Review 2021/2022, which serves as the **Final Review of Council's 5-year Strategic Plan** and includes the approved District Spatial Development Framework (SDF) as a core component of the IDP.

**BACKGROUND**

Council adopted the 4<sup>th</sup> Generation IDP for period 2017/18 to 2021/22 on 15 May 2017. The 5-year Plan contains key municipal plans and priorities for the current political term of office.

The Local Government: Municipal Systems Act, 2000 (Act 32 of 2000) states:

Section 34(a): *"A municipal council **must** review its integrated development plan annually in accordance with an assessment of its performance measurements and to the extent that changing circumstance so demand..."*

Section 34(b): *"A municipal council **may** amend its integrated development plan in accordance with a prescribed process."*

Section 26(e): *"An integrated development plan must reflect a spatial development framework which must include the provision of basic guidelines for a land use management system for the municipality."*

The Local Government: Performance and Performance Management Regulations, 2001:

The regulations provide that a municipality's performance management system must entail a framework that describes and represents how the municipality's cycle and process of performance planning, monitoring, measurement, review, reporting and improvement will be conducted; comply with the Municipal Systems Act; and be linked to the municipality's IDP.

In prescribing to above legislation, the First Review of the 2017/2021 IDP was adopted by Council on 28 May 2018, the Second Review 2019/2020 on 27 May 2019, the Third Review 2020/2021 on 25 May 2020, and the Draft Fourth Review 2021/2022 on 28 March 2021. The Fourth Review serves as the last and final review of Council's 5-year Strategic Plan.

The existing SDF was approved on 30 June 2017 and is currently being revised for adoption in 2022, to ensure alignment with the next 5-year IDP development cycle.

## PROGRESS

A Strategic Session of Council was held on 18 January 2021. A SWOT analysis was conducted and, following a thorough assessment of performance, circumstances and factors that could possibly influence the existing strategic narrative and implementation plan of the Overberg District Municipality, the Executive Mayor reaffirmed Council's strategic direction as captured in the 5-year IDP, as well as subsequent reviews. Hence, the **Fourth Review constitutes a Review only, not an Amendment.**

Following the tabling of the Draft Review on 28 March 2021, a Notice was placed in the local media, on ODM notice boards across the region, and the Draft published on the municipal website for public representations until 30 April 2021. The Draft Review was also submitted to Department of Local Government and National- and Provincial Treasury.

A hard copy was made available for inspection at the ODM Head Office and the public informed, in terms of s21(4) of the Municipal Systems Act of 2000, that assistance will be provided to persons who cannot read or write.

It is confirmed that the **Fourth IDP Review 2021/2022 must be read in conjunction with the 5-year IDP adopted on 15 May 2017, as well as subsequent reviews, as the Review does not constitute a new IDP.**
